

Many Women who are Splendid Cooks

dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

It is no longer necessary to wear yourself out preparing a fine dinner. Even in the heat of summer you can cook a large dinner without being worn out.

New Perfection Oil Cook-stove

Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with self for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinet.

THE ELECT INFANT CLAUSE.

After standing for two centuries and a half as a doctrine of the church, the "elect infant" clause of the Constitution of Faith of the Southern Presbyterian Church came up for revision yesterday in the general assembly, in session in Lewisburg, W. Va. The church is divided on the question, which arose from the comment being made that "elect" infants are saved, there must be some infants that are not "elect." How to say, in church language, that the church holds that all infants are "elect" was the problem.

The committee reported its first recommendation as a footnote reading: "This paragraph (the 'elect infant' clause) cannot, by a fair interpretation of the language, be construed as teaching that any of those who die in infancy are lost, and it is not the belief of the Presbyterian Church in the United States that any infants dying in infancy are lost."

A second choice the committee recommended that the present clause be superseded by the following: "Of those whom God hath given to the Lord Jesus to be His seed, such as are incapable of being outwardly called by the ministry of the word are regenerated and saved by Christ, through the spirit who worketh where, and where, and how He pleaseth."

A motion to send the proposed footnote to the presbyteries for their approval was voted down, overwhelmingly, after a short debate, and the assembly then voted without division to send down the amendment embodied in the committee's second recommendation.

UNITED STATES DEFIED.

A dispatch from Bluefields, Nicaragua, says a government force from the garrison Venus yesterday boarded and searched the American schooner Esfuerzo, flying the Stars and Stripes.

The action was in defiance of a ruling from Washington that the Venus had forfeited her right of search.

Following the search the Venus and the other Nicaraguan gunboat, San Jacinto, were seen approaching the Bluefields bluff. The American gunboat Paducah and Dubuque were lying off Bluefields and it is expected that their commanders would take prompt action.

The fighting outside Bluefields continues without definite results. Through, cut Tuesday the battle waged without decided advantage to either side. General Lora, of the Nicaraguan government army, seeking a position near the city, was repulsed by General Estrada's artillery and sustained small losses. The situation at Rama remains unchanged.

The splendid work of Chamberlain's Stomach and Liver Tablets is daily coming to light. No such grand remedy for liver and bowel troubles was ever known before. In Bad Fix
"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga. "I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings."
"I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui."
"Since taking Cardui, I am so much better and can do all my housework."

Take CARDUI
The Woman's Tonic
Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out. Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition.
In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and by you will arrive at the north pole of perfect health.
